

Serial No. 10/760,448

### REMARKS

Claims 1-18 stand allowed.

The specification has been amended to add the reference characters 502, 504, 506, and 508 in the description, as shown in FIG. 5. An enclosed replacement drawing sheet 2/6 deletes the reference number 302 for the originally filed drawing sheet 2/6. Substitution of the enclosed drawing sheet 2/6 is respectfully requested.

It is believed that the present application is now in condition for allowance including each of the pending claims 1-18 and allowance is respectfully requested.

If the Examiner upon considering this amendment should find that a telephone interview would be helpful in expediting allowance of the present application, the Examiner is respectfully urged to call the applicants' attorney at the number listed below.

Respectfully submitted,
